No Progress Made In Truce Talks; Jet Warfare Goes On

Communists Define Only Neutral Nation

Other Questions Left Unanswered; Yanks Down Five MIGs

MUNSAN, Korea, (AP)—Allied negotiators asked questions for two hours and a half at an Aliche-In-Wonderland sort of Korean truce session today—and got the answer to just one question.

The Reds defined what they meant by a neutral country and gave examples: Communist Czechoslovakia and Poland, or non-Communist Switzerland, Sweden and Denmark.

The Communists want neutral teams to supervise any truce reached, and only at "ports of entry."

Allied subcommittees at Panmunjon asked 30 times what the Reds meant by "ports of entry." They didn't get an answer; the Reds said they already had answered clearly.

Subcommittees scheduled another meeting for 11 a. m. Thursday to try again. Their job is to work out means of making a cease-fire effective and supervising its execution.

At the Wednesday meeting, the Communists asked questions by the "Voice of the United Nations Command" accused Communist negotiators of using "double-talk" to gain tactical advantages through the negotiations.

The Communists said the Red position is that all truce negotiations would have the effect of removing foreign troops from Korea. This was one of the Red's political demands. Under the Red line, foreign troops, including American, British, French, Italian and United Nations troops, would be removed.

The Communists also charged the Communists are more interested in building a truce for war than in rebuilding the country for peace.

In the air war over Korea, U. S. pilots today reported shooting down five Red MIGs and damaging five in the south, although they said they had not shot down any.

The U. S. Fifth Air Force said two U. S. jets were shot or damaged.

The Wednesday day ended the U. S. air force downed 10 consecutive days to 44-22 shot down, one probably shot down, and 31 damaged. (Associated Press wire service report.)

The Monday man of daily jet warfare is the largest of the Korean war.

Ground action Wednesday was quiet.

An allied announcement said a U. N. military party stormed across the Red line on the east coast Monday in the second hit-and-run raid in two weeks.

Black-and-white American Marines and British commandos scaled a cliff and attacked a vital Communist rail line south of Suigun, about 135 miles north of Pusan.

Shells from the U. S. Destroyer "Sagami" pounded the rail line from the north.

Township Fire Pact Rate Is Increased

Salem City Council Tuesday approved a motion by Councilman Michael Schaefer, safety committee chairman, that the city water rate be increased from \$1.00 to \$1.10 per month.

REDS, ALLIES SPRING NEW ASSAULTS — Amphibious attacks on opposite sides of Korea carried the war back toward Manchurian and Russian borders. On east coast, American and British Marines struck at Tanchon, cutting vital railroad running northward to Vladivostok. On west coast, 1000-man Communist assault force captured three small islands at mouth of Yalu River.

School Board Hears Reports, Approves Basketball Program

A progress report on the construction of the Fourth Street School addition was submitted and a new setup for the Junior-McGuire League was approved when Board of Education members met Tuesday night in the high school.

D. C. Wright, clerk of works, told the board that masonry work on the addition has progressed as follows: West side—within four feet of the top of the building; east side—within six feet of the top; and north end—corner up to roof height.

Mr. Wright also said loose steel for doorways and windows has been delivered; electrical work is up to date; the coal pit will be completed this week and the stoker has been installed.

Construction at the addition is "just about on schedule," E. S. Kerr, superintendent of schools, said. The completion date depends largely upon the arrival of steel shipments and the weather.

Mr. Kerr added, Charles Cartright of Sebring is the general contractor.

John Callahan, Salem High School dean of boys, was appointed to supervise a new basketball arrangement for the Mickey McGuire League after the board okayed a proposal by principals of the city's grade schools to play the games during school time.

Most of the games will be played in gymnasiums at Buckeye, Kelly, McKinley and Prospect.

Council Again Ignores Mayor On Extra Police

Funds Not Available; Health Board Files Complaint On Sewage

Salem City Council Tuesday again failed to act upon Mayor Harry M. Vincent's recommendation that it enact legislation to provide for the addition of another patrolman to the force. It was Mayor Vincent's second request on the subject.

At the previous meeting it was stated that E. W. Kirchgessner, former patrolman recalled to the Marine Corps in November, 1950, would be discharged and ready to return to his job sometime this month. He asked that Officer Barthe, who was appointed to fill Kirchgessner's position, be retained.

Understand, to claim Mayor Vincent told council that the force was understaffed and that on three days of each week a patrolman had to be taken from his regular beat to substitute as deskman, since each deskman got one day off of every seven.

Tuesday he asked that council at least appropriate funds to retain Barthe during the Christmas season, since that period exerted extra demands upon the department.

Council President Curtis H. Vaughan informed the mayor that under existing ordinances he was permitted to hire temporary patrolmen, if the money is available. He asked the mayor to ascertain from City Auditor K. L. Webster whether or not such funds existed in the parking meter receipts.

Mayor Vincent replied that he did not think the money could be procured from that source, and urged council to enact the necessary legislation to raise the funds. There the matter ended.

\$500 for Poor Relief

In other business attended to during the meeting council approved \$500 out of the general fund and transferred the amount to the Poor Relief fund, which had become depleted.

Council also passed an ordinance authorizing the condemnation and purchase of the J. Wesley Hanna property located at Salem's East Cold Run reservoir.

Yugoslavia Grants Stepinac Freedom

Old City Hall Razing Approved By Council

The final reading of the ordinance authorizing the city to advertise for the dismantling and sale of the old City Hall was passed by Salem City Council Tuesday evening.

City Solicitor Walter J. Hunston drafted the ordinance several weeks ago at the request of Mayor Harry M. Vincent who has been under constant pressure from the state fire marshal to have the century-old building torn down.

The original order demanding that the structure be razed was issued in 1941. The edict stated that the building was a fire trap.

The state marshal, however, did not press for the execution of his demand at that time because the city had no other available building in which to move its offices and fire department.

To Clear Title Since the completion of the new City Hall, Mayor Vincent has received two state orders demanding that the building be torn down without further delay.

At Tuesday's meeting Mr. Hunston said he expected to file a petition in Common Pleas court soon, asking the court to clear title to property upon which the building was built so that it can be sold or otherwise disposed of.

The court is expected to decide whether the city owns the land or whether it reverts back to the Salem Monthly Meeting of Friends, which donated the land to the city in 1944.

The ordinance, if passed, would grant the company the right to increase its rates to local commercial and residential consumers.

Archbishop Stepinac

Archbishop Had Spent 5 Years In Croat Prison

Catholic Leader To Take Up Residence In Village Parish

BELGRADE, Yugoslavia (AP)—Communist Yugoslavia today gave Msgr. Alojzije Stepinac his conditional freedom, making it clear he could not with governmental approval resume his duties as Roman Catholic primate of Yugoslavia.

The official news agency Tanjug announced the spiritual leader of Yugoslavia's seven million Catholics would live in a parish house at his native village of Krasic, near the Croatian capital of Zagreb.

Msgr. Stepinac was sentenced five years ago to 16 years in prison. He denied the charges of wartime collaboration with the Axis and postwar plotting to overthrow the regime of Premier Marshal Tito.

The 53-year old archbishop had spent the five years in a small two-room cell in Croatia's Lepoglava prison.

Official Statement The official statement referred to him as the "former archbishop." It said:

"Alojzije Stepinac, former archbishop of the Catholic church in Yugoslavia, has been conditionally released.

"That decision has been taken by the Croatian minister of the interior, Ivan Kraljic, and was based on articles 67 and 68 of the law on punishment, security and educational correctional measures.

"Stepinac will reside in his native town, Krasic, near Zagreb. He has decided to take residence in the local parish house."

At his trial, the archbishop repeatedly told the three-man Communist court "my conscience is clear." In denying all the charges against him he condemned communism and pointed an accusing finger at the court saying the trial was against the Roman Catholic church.

23 British Boys Killed By Bus

CHATHAM, Eng. (AP)—An eight-ton double-decker bus, operated by a driver cited for a quarter century of safe driving, rumbled into the singing ranks of marching boy cadets last night and killed 23 of them.

Nineteen more boys, some near death, lay in hospitals. Ten others were treated for shock.

It was the worst road accident in British motoring history.

The driver, John George Samson, 57, was taken home and put under a doctor's care. Shocked and sick, Samson was unable to explain immediately how the big bus happened to hit the formation of more than 30 boys.

The children, all between 10 and 13 years old, were cadets in the Royal Marine Corps. They sang in step as they marched—their twin files just the width of the bus—to see an amateur boxing match at Chatham's naval barracks.

Samson had worked for the bus company for 40 years and was to have gone to the company offices today to receive a medal awarded him for 25 years of safe driving.

Nathan, Caudle Met At Races

Influence Peddler Again On Stand

WASHINGTON (AP)—Frank Nathan, accused of an attempted \$500,000 "tax fix shakedown," testified today he went to race tracks with T. Lamar Caudle. But he said he was "pretty positive" he never talked with the now-ousted assistant attorney general about tax matters.

"Lots of people," however, approached him about tax matters, Nathan declared. He added: "I told them to hire a lawyer."

Nathan, who says his main business is "making deals," sparred for two hours with members of a congressional committee about his finances.

The group recessed for lunch without asking him about the sensational story told by Abraham Teitelbaum, Chicago lawyer.

Teitelbaum, who has big real estate holdings and has sometimes represented Capone interests in legal matters, told the subcommittee yesterday that Nathan and Bert K. Naster, a Hollywood, Fla., business man, bought \$300,000 from him. They mentioned that figure, Teitelbaum said, under threat he would have "tax troubles" and maybe go to jail if he did not retain their services.

Teitelbaum said Nathan and Naster represented themselves as connected with a Washington "clique" which looked for "soft touches."

Chairman King (D-Calif.) denounced Nathan as an attempted influence peddler, and scolded Caudle, 47-year-old North Carolina man who was fired from his government post by President Truman last month.

The petitions, signed by 50 members of the city's fire, police, street service, water, electrical, sewage, engineering and chemical departments, asked for a 25-cent an hour increase for those who are paid on an hourly basis and a corresponding increase for those on a salary scale.

Council also heard a report submitted by the Pittsburgh engineering firm of Edwards & Barnes, which has been engaged for the past several months in making a job evaluation survey of the various city positions.

The report, based upon data gathered in Salem and 22 other communities, offers four different pay scales. Which one Council will adopt, must be decided by the city's ability to pay, as well as on rate comparisons with other cities, the report states, the report states.

Full details concerning the rate scale were not made available but the survey did indicate that the present Salem rates were in general equal to or slightly above those in comparable municipalities.

Gov. Lausche Uncertain On Seeking Nomination

COLUMBUS (UP)—Gov. Frank J. Lausche claims public office brings a "grueling life," and says he is uncertain whether he will seek a fourth term as Ohio chief executive.

The Democratic governor, whose present term expires in January, 1953, said yesterday, "I haven't decided in my own mind whether I shall be a candidate for any office; nor if I am a candidate, for what office I shall aspire."

Mr. Lausche must decide before Feb. 6 when candidates for nomination must file petitions.

\$331.95 Netted In Band Tag Day**Boosters Seek Additional Funds**

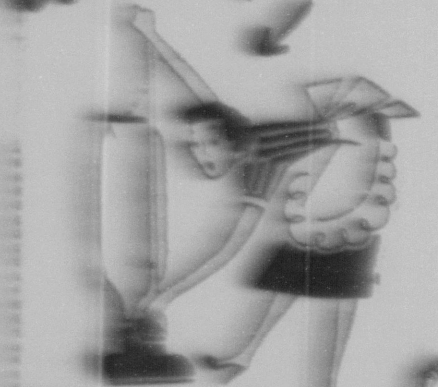

COLUMBIANA—The Music Boosters' Club, organized to promote the entire music program of the schools, as well as the band, reports that the band tag day last Saturday netted \$331.95 for the purchase of additional instruments. The amount will be available for instruments in addition to the 11 previously purchased.

Other contributions will be welcome.

Sixty were present at the dinner given by the club in the High School building Monday evening for members and mothers of the band. A musical program after dinner included a piano duet by Janet and Janice Magill, vocal solo by Gladys Cleveland, bass clarinet solo by Naomi Boston and trumpet and saxophone duet by Jean Greener and Shirley Tyson.

The vocal department will be the subject of consideration at the next meeting, Monday evening, Jan. 7, and plans will be made for the appearance of the Sweet & Tube chorus in the High School auditorium Wednesday evening, Jan. 30.

COLUMBIANA Christmas street lights were on fully Monday evening, the North Main and East and West Park avenue sections.

DR. L. W. King of Salem gave Columbiana Rotarians, Monday evening, his views from personal observation of the present-day scene. He spoke of the dangers of communism, which he said got its principal start among the youth in colleges during the depression and told of his experiences with the interior department in Washington.

He said he believed it immoral to pass on a tremendous burden of debt to posterity and that taxes are now so high that no one but racketeers can make big money.

Van Redpath and Edwin Dillon were formally inducted as new members by Thomas Newson, chairman of the education committee. Five visiting Rotarians were Michael Swinchart of Carrollton, Owen Pottorf of Sebring, and W. H. Matthews, J. R. Stiver and Arch Harwood of Salem.

Kenneth Ferrall, program chairman for next Monday evening, will present Rigby Mast, new Columbiana welfare director as the speaker.

FAIRFIELD Centralized Music Boosters will meet at the school at 7 tonight.

PRESIDENT Russell Barrow announced at the meeting of the Kiwanis Club, Monday evening, that the club will deliver the treasure chest received from East Palestine to the Salem club Thursday evening, Dec. 13.

Officers, directors and committee chairmen, in session after the regular meeting, made plans and discussed proposed changes for next year.

Columbiana Social Notes:

Mrs. Leon Seidel of Akron, president of Akron Regional of the Women's Guild of the Evangelical and Reformed Church, will be the guest speaker at an all-day Christmas party of the Guild of Grace Church, Columbiana, tomorrow, beginning at 10 a.m.

Each member is to take coverdish, table service and a gift for the exchange. In connection with the dinner, officers will be installed and slides shown of the Upper Sandusky Home for the Aged. Mrs. Seidel will speak during the afternoon program in the lecture room, for which Mrs. Byron Snyder will lead devotions.

The Past Presidents' Parley

of Firestone American Legion Post Auxiliary will hold its Christmas party at the home of Mrs. J. J. Martin, Firestone Ave., at 8 p.m. tomorrow. There will be a gift exchange.

The Kindergarten Mothers' Club will meet in the home economics room of the High School building at 8 tonight.

Instead of other gifts for the county home, members of the Columbiana Business & Professional Women's Club are each to leave a contribution of \$1 with

Mrs. R. G. Millen at the American Laundry office by next Monday for a treat at the home.

Honest Lima Soldier Swaps \$1,000 For \$20

LOUISVILLE (AP)—A Fort Knox soldier swapped \$1,000 for \$20 over the weekend and figured he made a good deal.

Pvt. John B. Finn, 21, Lima, O., found a wallet at Fort Knox Saturday night containing the small

fortune. Papers in the wallet indicated it belonged to Cpt. Orville Howard, 44, Wallins Creek, Ky., a Korean War veteran.

Finn, a troop information instructor, trailed down the owner and returned the money. The

happy Howard gave the soldier \$20 for "a Christmas present." Finn was happy, too. He said he had been broke for the past three weeks.

Story of Corruption

Probe by Congress Gave U.S. New Word-Five Percenter

WASHINGTON, (UPI)—Washington's 1960 influence-in-government investigation brought a new word to the American language—"five-percenter."

Through Senate hearings, the nation learned for the first time how the influence peddlers operated through graft and friendship in high places to obtain government contracts from which they got a kickback.

The hearings presented a case history of a "five-percenter"—one James V. Hunt, whose office walls were papered with autographed photos of important

Washingtonians and who boasted of his high connections at the "White Cottage."

But more than that, they gave a tantalizing picture of operations in and around the White House by a colorful pair—Major Gen. Harry Vaughan, President Truman's military aide, and John Maragon, a former Kansas City bootlicker who entered upon a career in Washington first.

THE STORY BEGAN in 1948 when Vaughan helped David Bennett, a perfume maker, get a priority to fly to Europe and back in the midst of the war in order to purchase perfume oils.

When Bennett returned, he gratefully sent food basket lockers to Vaughan, Mrs. Truman and James Vardaman, then the President's naval aide and now a member of the Federal Reserve Board.

The Vaughan interest in the perfume business continued, and shortly thereafter little, fast-talking John Maragon, who the general has described as "a lovable guy" and who was a White House habitue, went to Europe for Bennett.

When Maragon came back customs inspectors found \$2,300 worth of perfume oil in a package he had declared as cham-

"MORE CONCERNED, women and boys and fewer knock-knocks," is the formula for a longer life, says George Vancil on his 100th birthday in North Platte, Neb. Vancil remembers five wars, recalls advent of telephones, electricity. He was married three times but has no children. He lives alone in a two-room house, cooks for himself. He was born in Illinois, quit carpentering at 35.

page, but three days later Vaughan told the Passport Bureau that "the President is personally interested" in seeing Maragon make a new trip to Europe and back he went.

This was soon followed by a lucrative government mission to Greece by Maragon—and a newer and bigger freezer for Vaughan with Bennett's compliments.

A short time later still another luxury type freezer worth \$520 went to Fred M. Vinson, then Secretary of the Treasury and now Chief Justice of the Supreme Court.

Vaughan's activities again made headlines when it was disclosed that to oblige his friend William Helis, a race track operator, he helped put through a construction permit for the Tanforan Race Track near San Francisco after other government officials had said no.

THE SENATORS WERE also told by a former agriculture department official that in 1946 Vaughan demanded a molasses allotment for a company in trouble, explaining that "we Democrats have to stick together."

When Vaughan finally took the witness stand he made a blanket denial of any misconduct and he still has his White House job. In their report, the investigators made no direct charges against him, but commented that "there is no doubt that Maragon's friendship with Gen. Harry H. Vaughan made his activities in his dealings with the federal government possible."

Machine Law

Passes Court Test

SALEM, (UPI)—Ohio's new slot machine law passed its first court test today.

Common Pleas Judge Arthur J. Taylor of Hamilton County upheld the law in a case involving William L. Graham of Salem.

Judge Taylor observed a temporary injunction that prohibited Graham from selling his slot machines to city, county or state officials. He also declared a permanent injunction, declaring the law now ready for passage of slot machines to city.

Judge Taylor, in a newspaper opinion, said there is no doubt that slot machines are gambling devices. He said the propriety of the law was not in the question.

Turnpike Wants Greater Power

Group Asks Right Of Condemning Land

COLUMBUS (AP)—The Ohio Turnpike Commission yesterday asked the same authority to condemn land as held by the State Bridge Commission.

The Turnpike Commission needs the power to acquire a 240-mile right of way across north-

ern Ohio for a \$300,000,000 toll super road.

The Legislature will act on the request in special session next Monday under a call from Gov. Frank J. Lausche.

Frank Dunbar, Turnpike counsel, said the proposed change in the Ohio Turnpike Act will enable bankers to market revenue bonds need to finance the turnpike.

Dunbar said the proposed changes will give the Commission possession promptly after a court jury verdict in condemnation suits.

He outlined 12 steps the Commission would follow under the proposed change:

- (1)—Commission to seek agreement on price with property owner.
- (2)—Adopt resolution to start condemnation proceedings.
- (3)—File application in local common pleas or probate courts.
- (4)—Serve notice of court filing on land owners.
- (5)—Submit proof of service.
- (6)—Court to set time for fixing compensation by a jury.
- (7)—Draw and qualify a jury.
- (8)—Trial by jury that can view land involved.
- (9)—Verdict fixing compensation.
- (10)—Court to enter judgment to be paid or deposited.
- (11)—Commission to make payment or the deposit.
- (12)—Commission take title to the land.

The Cleveland Metropolitan Park Board notified the Commission it has authorized court action to prevent location of the turnpike recommended by engineers in part of Cuyahoga County. The board objects to routing the turnpike through sections of a park near Strongsville.

Breeding Association To Hold Meeting

The annual meeting of the Central Ohio Breeding Association for Columbiana and Mahoning Counties will be held at 8 p.m. Thursday, Dec. 13, in the Masonic Temple, according to Harry G. Smith, associate county extension agent.

Charles Baldwin and Richard Kellogg of the C.O.B.A. office at Columbus will speak, and local county inseminators will discuss their work. Lunch will be served.

And there was a chance a fourth agency might enter the case of Ernest Keppel, 22, of Tiffin. Keppel plunged 40 feet to his death from a "seclusion room" at the state school Saturday.

The state welfare department, state highway patrol and Franklin County Coroner Robert A. Evans are conducting separate investigations.

The fatal plunge was not reported to the coroner until Monday, although Judge Lamneck pointed out, state law says the institution should have done so at once.

Keppel's body was taken to Tiffin for burial before the coroner entered the case. The coroner yesterday halted the burial after the coffin had been lowered into a grave at Tiffin. The body is being brought back here for an autopsy. The young man's parents, Mr. and Mrs. Robert Keppel, live at Tiffin.

THE RACE IS ON—There's an entry to please Senator Taft and one to please President Truman in this "race" set up in a Chicago department store. The stuffed animals, wheeled and suitable for riding, are part of this year's stock of Christmas toys. The political overtones are purely coincidental. LeRoy Schaffer, 7, is astride the elephant, while Linda Moore, 3, takes a chance on the donkey.

Probe Of Patient's Fatal Fall Underway

COLUMBUS (AP)—The investigation into the fatal plunge of a Columbus state school patient mushroomed into a three-pronged probe today.

84-Year-Old Indianan Named Doctor of Year

LOS ANGELES (AP)—After virtually half a century of practicing in the same town, Dr. Albert C. Yoder of Goshen, Ind., has been named America's "Family Doctor of the Year."

The award was announced yesterday at a meeting of the American Medical Association.

Dr. Yoder, 84, started answering medical calls in Goshen on a bicycle in 1902 and still handles a large practice.

Dr. Yoder, who will celebrate his 57th wedding anniversary Christmas Day, has four children.

Narcotics Explained At P. T. A. Meeting

How narcotics addiction is spread among teen-agers, and the effects and treatment of this addiction was the timely topic discussed at the initial P.T.A. meeting of the year at the Fourth St. Junior High School, 7:45 p.m., Monday.

Dr. R. J. McConner, who expressed belief that there is no juvenile addiction in Salem, described in detail the action of narcotics, placing emphasis on the most common, morphine, heroin, and marijuana.

He stated that addiction is most commonly found in young adults of weak character, essentially neurotics, who seek the false sense of well-being temporarily created by use of the drugs.

Minnetta Miller, music director of the school, led the Junior High Choir in several seasonal songs.

During a short business discussion, members attention was called to the "Problem Box" a device through which teachers and parents can ask investigation of any problems.

These will be handled through committees which will report to a meeting of the entire group. Refreshments were served by the Hospitality Committee on a holiday-decorated table.

S. K. Wald, president, opened the meeting, and Rev. E. S. Scott of the Christian Church delivered the invocation.

Columbiana, Greenford Victorious As Goshen Union Loses

New Waterford, Fairfield Also Suffer Losses, Union Falls To North Jackson

Columbiana and Greenford emerged as victors in Class B basketball play Tuesday night as three games were played in the district. The Clippers won their third game of the season as they trounced their opponents, New Waterford by a 64-37 count. The Greenford Bobcats also won but they had to fight hard for their victory as they edged the Fairfield Flyers, 45-43.

In Clippertown Columbiana racked up 17 points in the first period, 20 in the third and 18 in the final stanza for their big margin win. The winners held a 26-14 lead over the New Waterford team at halftime.

Milt Powers led his team with 16 points as Chuck Ramsey pitched in a dozen markers. Wynn Hawkins topped both teams with 20 points but his effort couldn't put his team in the lead.

GREENFORD and Fairfield played even for the initial half as each team had chalked up 23 points but the Bobcats outscored Fairfield 10-7 in the third period to take the lead which gave them the ball game. The Flyers held the last quarter edge 12-11 but

they still remained a pair of markers behind as the game ended.

Dave Roller managed 14 points for the winners while Ray Graham caged 16 for the losing five. Goshen Union lost to North Jackson by eight points on their home floor as the final score read 46-32.

The game was tied seven times, North Jackson led 5 times and Goshen held the lead four times. Glen Steer led his outfit with ten markers.

Reserve games went to Columbiana, 28-23 over New Waterford, Greenford whipped Fairfield, 28-19 and Goshen Union beat North Jackson 34-21.

Three Ohioans Picked On Little College Team

NEW YORK (AP)—Three Ohioans today were named to the Associated Press' Little College All-America football team for 1951.

Dale Bruce, 21-year-old Ohio Wesleyan end from Amherst, was named on the first string offensive platoon. At 165 pounds he is the lightest man on the squad.

Tito Carini of Xavier University at Cincinnati was selected line-backer on the first string defensive platoon. The 22-year-old Carini, from Steubenville, is six feet tall and weighs 207 pounds. Chester Lagod, 24, of Fairmont (Belmont County) O., who played for the University of Chattanooga, was named first string defensive tackle. Lagod is six feet, two inches tall, and weighs 215 pounds.

All three Ohioans on the first string were seniors.

Ohioans given honorable mention were:

Ends James Currin of the University of Dayton and Jack Hoffman of Xavier University.

Tackles Don Green of Miami University and Al Schedler of Ohio University.

Wellsville Man Files Illegal Arrest Suit

LISBON—Eugene Smallwood of Wellsville filed a \$2,500 suit Monday in Common Pleas Court against Justice of the Peace Harry Hammond and Clifford Athey, both of Wellsville, charging illegal arrest.

Taken into custody on a non-support charge Nov. 22, Smallwood claims Athey had no right to make the arrest, as ordered by Hammond in whose court the action was filed, because "he was not a duly elected and qualified constable nor had he filed a bond as required by law."

Boston Braves May Swing Trade Deal With Philadelphia Phils

Warren Spahn May Be Traded

Braves After Player For Shortstop Spot

By JOE REICHLER

COLUMBUS (AP)—Fully aware they must revamp their porous infield if they are to figure in flag contention, the Boston Braves are resigned to taking the wraps off Southpaw Warren Spahn, to plug their weak shortstop position.

This came to light today when the Associated Press learned that the Braves were prepared to trade Spahn, one of the best pitchers in baseball, to the Philadelphia Phillies for Shortstop Grady Hamner and Righthander Emory (Bubba) Church.

Trading the 31-year-old Spahn, a four-time 20 game-plus winner, is one of the toughest decisions the Braves ever have been forced to make. General Manager John Quinn and Field Leader Tommy Holmes, however, have become convinced that is the only move they can make to strengthen the club where it is weakest. The Braves ranked sixth in double plays last season.

Spahn won 22 and lost 14 last season. Church, five years younger than Spahn, had a 14-11 record in his first campaign. Promoted to a regular berth in June of 1950, the Birmingham right-hander wound up with an 8-6 record. Hamner, regarded as one of the best shortstops in the National League, skidded a bit following a spectacular 1950 season, batting .255 in 150 games. A brilliant glove man, Hamner is only 24.

The only hitch is that the Phils are demanding a replacement at shortstop and want the veteran Sibby Sisti, who can fill in at any infield position. Sisti batted .279 in 114 games. Buddy Kerr and John Logan, who divided the regular shortstop berth last year, batted .186 and .219, respectively.

The Braves also have been negotiating with the Chicago Cubs for Third Baseman Ransom Jackson, one of the better young infielders in the circuit. The Cubs have asked for First Baseman Earl Torgeson in return. Jackson, 25, is a long ball hitter and an excellent fielder. While he hit only .273 in 145 games, he walked 166 home runs, stole 14 bases and batted in 76 runs. Torgeson, who will be 28 years old Jan. 1, also can hit the ball for distance. He walked 20 homers, knocked in 91 teammates in a .263 average.

Meanwhile the St. Louis Cardinals have re-opened negotiations with the Giants for Eddie Stanky. President Fred Saigh, who still hasn't given up hope of getting the scrappy second baseman to manage the Redbirds, has made a new offer. He has told manager Leo Durocher of the Giants he would give them Right-Handed Pitcher George (Red) Munger, veteran Catcher Del Rice and Centerfielder Chuck Diering for Stanky, Infielder Jack Lohrke and Catcher Sal Yvars. Durocher still says no.

Harry Matthews Fights Tonight

Meets Danny Nardico In Cleveland Bout

CLEVELAND (AP)—Two top contenders for the Joey Maxim's light heavyweight crown swap blows here tonight in the Cleveland News-Toyshop Fund boxing show.

Both Harry Matthews of Seattle and Danny Nardico of Tampa, Fla., will be allowed to come in for the bout at Cleveland Arena over the light heavyweight limit. And Matthews' manager, Jack Hurley, says he is about ready to let his man stay over the weight.

HURLEY DECLARED the "chances of getting a fight" with the Cleveland champion "at an early date seems pretty hopeless now."

A former Seattle shipyard worker, Matthews is ranked as the No. 2 man in his division, but has been unable to get a shot at the champ. Hurley said he might enter his man in the heavyweight division.

Nardico, who was brought up at nearby Painesville, is an underdog in the betting. He lost on a TKO to Irish Bob Murphy when his eyebrow was cut. That was his only loss in 12 bouts this year.

Matthews outpointed Murphy, who later lost a challenge bout to Maxim.

THE NEWS PREDICTED today that 13,000 would turn out for the six bout card and pay around \$85,000 for tickets. Matthews is to get \$25,000 for his appearance. Profits will go towards buying toys for needy youngsters.

Other 10-rounders send Eugene Hairston of New York against Charley Zivic of Pittsburgh at 160 pounds, Chico Vejar of Stamford, Conn., against Terry Young of New York at 145 pounds, and Johnny Greco of Montreal, Ont., against Nick Mistovich of Youngstown, at 150 pounds.

Only the main bout at 10 p.m. (EST) will be televised and broadcast over CBS. The video program will not be available to set owners in the Cleveland area.

Matthews has won most of his recent bouts with a flurry of punches while Nardico has depended mainly on a single blow for his knockouts.

Ray Watts Resigns As B-W Cage Coach

CLEVELAND (AP)—J. Larsen (Lars) Wagner took over today as coach of the Baldwin-Wallace College basketball team, replacing Ray Watts who retired on the advice of his physician.

Wagner, who coached at Ohio Wesleyan before coming to the college at nearby Berea in 1944, ran the team after last season's third game when Watts suffered a heart attack.

Watts will remain as athletic director.

Wagner is an Oberlin College graduate. He coached there and at Waite and Devillish High Schools in Toledo before going to Wesleyan.

The Yellow Jackets won 17 of 23 games last year and placed third in the National Association of Intercollegiate basketball tournament.

Miami Golf Tourney Begins Tomorrow

MIAMI, Fla., (AP)—A field of about 160 golfers, including a majority of the nation's leading pros and amateurs, will participate in the \$10,000 Miami Open Golf Tournament starting tomorrow at the Miami Springs Country Club.

A qualifying round for the 50 pro and 20 amateur berths still open was held yesterday.

Setting the pace over the 7,000-yard course were pros Andy Gaspar of Oakmont Pa., and Pat Cici of Kendall, Fla., and Amateur Tim Holland of Miami.

Purple Raiders Win Initial Cage Tilt

ALLIANCE (UP)—Mount Union College's basketball team saw that its new coach, George Hunter, had a proper debut last night by beating Steubenville College, 47 to 38.

Bill Eritz of the Raiders took scoring honors with 14 points. High point men for Steubenville were Chuck Oleszki and Tom Gastarine with eight points each.

Reggie Sinclair, top scoring forward on the New York Rangers, was a disc jockey on a Sherbrooke, Que., radio station during the summer.

The oldest team in the National Hockey League is the Chicago Black Hawks. The average Hawk player is 21.8 years old.

Dick Barrett Resigns Grid Post At East

YOUNGSTOWN — Resignation of Dick Barrett as football coach at Youngstown East High was announced by Principal E. E. Fell at the East football banquet, but Supt. Paul Bunn of the board of education declared: "I haven't accepted Mr. Barrett's resignation—I'd like to have him continue at East. He has a life-time job there as a teacher—and coach, too. He can coach at East even if he doesn't win a game."

Meanwhile boosters and students are trying to persuade Barrett to stay.

Late today Barrett declared: "I want to retire—25 years is long enough in the coaching line. I've tried to quit for two years. But I'll admit that while I did resign, the ball has been tossed in my lap by Supt. Bunn. Maybe I'll reconsider, maybe not."

Barrett, former Westminister and John Carroll gridders, is 51 years old. He coached at Campbell Memorial from 1926 to 1935, winning 48 games, losing 29 and tying six. At East from 1935 through 1951, he scored 92 victories against 47 reverses and 11 ties. His 1951 team lost one game—the finale—to Youngstown South. In the past four years Barrett's teams has tied for two championships and won two.

Former Boston Brave President In Hospital

ST. PETERSBURG, Fla., (AP)—Bob Quinn, former president of the Boston Braves, was resting easily in a hospital here today but his condition is still described as "grave."

The 81-year-old baseball figure has been in St. Anthony's Hospital for six days suffering with a chronic illness, brought on earlier this year by a cerebral hemorrhage.

Dick Kazmaier Wins Heisman Award

NEW YORK (AP)—Dick Kazmaier, Princeton's star tailback, is the 1951 winner of the coveted Heisman Award.

Kazmaier captured the honor, given annually by the New York Downtown Athletic Club to the outstanding football player in the nation, in a landslide.

The Princeton triple threat back collected 1,777 points, highest ever amassed by a player in the 17 years of voting.

Tail-back Hank Lauricella of Tennessee finished second with 424 votes and Babe Parilli of Kentucky came home third with 344.

Ohio State's Vic Janowicz was last year's winner of the award.

The longest punt in Southeastern Conference history was kicked by Alabama's Dixie Howell in 1933. The kick carried 89 yards.

Doubles Team Wins Way To Finals

MELBOURNE, Australia (AP)—Australia's great tennis doubles experiment ended today with the tennis fan in the street fully as mystified as when it began.

Both the Aussies' scrub teams caught onesided beatings in the semifinals of the Victoria Championships and both Frank Sedgman and Ken McGregor continued to look very unhappy with their strange partners.

Americans Ted Schroeder and his youthful naval trainee helper, Tony Trabert, slammed their way into Friday's final with straight set 6-3, 8-6, 7-5 win over McGregor and Mervyn Rose.

Sedgman and Don Candy bowed to a pickup Aussie combination of Adrian Quist and Geoff Brown, 3-6, 6-4, 7-5, 7-5.

Taken To Penitentiary For Salem Auto Theft

LISBON—George Williams, 21 of Canton, sentenced Nov. 30 to a one to 20 year term in the Ohio Penitentiary for stealing a car.

June 8 in Salem, was taken to Columbus today by Sheriff Howard J. Clark.

Clark will remain in Columbus Thursday for the final day of Ohio Sheriffs Association meeting.

By law, the "pattern pieces" of a trial strike made by the U. S. Mint are now carefully destroyed. In early days, however, such coins were often preserved and thus came into the hands of collectors.

site, which must be utilized in order to complete the reservoir. It approved a recommendation by Councilman Fred Koenreich that \$675 be made available for the purchase of three traffic lights to be installed at W. State St. and Sharp St., N. Ellsworth Ave. and Second St. and S. Lincoln Ave. and Aetna St.

Sewer Complaint Filed
Heard Clerk R. M. Linder read a letter from the Board of Health deploring the condition existing in Hillsdale because of the lack of sanitary sewers there. The letter warned that such conditions might cause an epidemic and urged council to consider the installation of sewers in that district. The matter was referred to the sewer committee.

Council also heard a report by City Engineer F. S. Barckoff concerning the progression of certain construction work which he had been authorized to proceed with in the past. Mr. Barckoff stated that the sanitary sewers along Monroe, Sharp, Pershing and Fourth streets were completed.

Sidewalk Petition
Concerning the N. Ellsworth Ave. sidewalk issue, he said that the residents' signatures on the petition presented to council did not conform exactly with the signatures of the tax duplicates. In some instances where the husband owns the property, he said, the wife signed the petition and vice versa. The petition will be returned to the residents for the necessary corrections.

The petition, which requested council to direct the installation of sidewalks along both sides of N. Ellsworth Ave. from 10th St. to the city limits so that school children would not have to walk in the streets or ditches, was submitted to council in September.

Question Youths On Hillcrest Robbery

WELLSVILLE—Juvenile investigating officer Chris Pusey met with Wellsville police this afternoon at Wellsville to question four youths apprehended in connection with a robbery and vandalism last weekend at the Cleatus Patterson summer home near Hillcrest.

Fined For Drunk Driving

Marquis L. Ford of RD 1, Salem, arrested by police and charged with drunken driving following an accident at 11:05 p. m. Tuesday in which his car struck and damaged a city light pole on W. State St., was fined \$100 and costs by Mayor Harry M. Vincent today.

Oil Issues Lead Slight Stock Gains

NEW YORK (UP)—Stocks edged upward slightly early today under the leadership of oil issues. A few pivots in the petroleum group registered good gains. Elsewhere, however, prices moved in a very narrow range.

Amerasia Petroleum was the leader in its section with a gain of 2 1/4 points to 153 3/4. Barber Oil at 77 was up 2 points and Texas Pacific Land Trust improved 1 1/2 points to 151 on one transaction.

Bell Aircraft was a bright spot. The issue ran up 2 points to 30 1/2 on news of a 2-for-1 stock split. Steel shares were quiet and virtually unchanged. Automotives were the same.

Legionnaires Attend County Council Meet

Twelve members of Charles H. Carey Post, American Legion, attended the county council meeting Tuesday evening at East Liverpool, with Post 4 there host.

Guests were State Commander C. W. Whitmyer of Canton and Tenth District Commander George Rutledge of New Philadelphia. Both gave fraternal talks. The Jan. 12 council meeting will be in East Palestine.

Church Offering To Aid Veterans In Hospitals

Mr. and Mrs. Al Walsh, representatives of the Veterans Hospital Programs of Charleston, W. Va., presented a program of entertainment at the Methodist Church Tuesday evening. Mrs. Walsh offered vocal solos and played her own accompaniment on the accordion. Mr. Walsh presented the work of the organization.

An offering was taken, which will be used toward providing radios and entertainment in veteran hospitals throughout the country.

Columbiana Lodge Visited By Thieves

COLUMBIANA—Thieves stole from the safe in the lodge quarters of Clipper Aerie, F. O. E., on South Main street, some time after 1 a. m. Tuesday an undetermined amount of money which was to have gone toward the Eagles' annual Christmas tree and treat for the children at the public square.

Police were unable to find any trace to indicate how entrance to the building was effected. The thieves appear to have been able to work the safe combination.

schools. Since St. Paul's Parochial School does not have a gym and Fourth Street's is not yet completed, those two schools will use the Memorial Building as their home floor.

The principals recommended the league contests be played in the afternoon. Transportation of teams from schools not close to each other will be provided, and high school students selected by Mr. Callahan will referee.

The nearness of most of the schools cuts down on the transportation problem. Sixth graders will mainly comprise the teams in the league, which was begun years ago by the late Joe M. Kelley and had prior to this season been played under his supervision at the Memorial Building.

The board also studied the possibility of supervised play in the elementary school gyms on Saturday for high school students.

Repairs on the Board of Education room vault which was damaged by safe crackers recently, were discussed. The vault is covered by a \$700 burglary insurance policy. Acquisition of more insurance to cover funds kept in the vault was also sanctioned.

Extend Bus Line

Robert Groner, school bus driver, was authorized to extend his bus trip to the Salem Country Club lane and Salem Heights. An enlarged elevator room for the Fourth Street addition to facilitate the hauling of ashes was approved. The cost will be \$1,613.

Permission was granted the Salem Ministerial Association for use of the high school auditorium at a cost of \$5 a night for community-wide Sunday evening meetings during Lent (Feb. 27-April 12). Supt. Kerr was given the board's approval to attend the annual convention of the Ohio Education Association Dec. 16-18 in Columbus.

Tribute was paid to George P. Lozier, who will retire from the board at the end of this month, for his 12 years of service on the board. A former president, Mr. Lozier will be succeeded by Orin Naragon.

City Hall

(Continued from Page 1)

The ordinance calls for an average increase of approximately 17 per cent in the company's revenues in Salem over a three-year period.

The rate changes represent an average increase per customer of about three cents a day, or approximately \$10 per year. The rate increase, if passed by council must be approved by the Public Utilities Commission of Ohio before it can be placed into effect.

The company's request for the new ordinance was based on its contention that rising labor and material costs had made continued service at the old rates prohibitive.
